ANNOUNCEMENT

Restrictive measures of the Council of the European Union and other sanctions against Russia in response to the crisis in Ukraine / War in Ukraine – Economic consequences / risks and uncertainties

The events in Ukraine are expected to affect real estate sales. At this time the degree and duration of impact cannot be accurately assessed. However our estimation is that both will depend on the length of time of the conflict, sanctions imposed and their consequences. Therefore any estimates today of the degree of impact are premature.

The Board of directors of the Company will monitor the conditions and developments.
